Hollywood, CA (January 29, 2007) – From the company that for fifty years has celebrated irreverence, creativity and performance comes, The Jim Henson Company's Puppet Up! - Uncensored to the Grove of Anaheim on Sunday, March 4.

Puppet Up! - Uncensored is a demonstration of what happens when the perilous and provocative forms of traditional comedic improvisation are mixed with a bunch of puppets. With a motley group of characters brought to life by the world renowned puppeteers of The Jim Henson Company, this is not your average night at the improv and it is definitely not for children. But all others are welcome to enjoy the uninhibited anarchy of live puppet performance as never seen before. To learn more about the show, visit www.puppetup.com
